

TO WHOM IT MAY CONCERN

This is to certify our special relationships, as MOBIFON, with EUROEST Real Estate Agency, and the quality of work they did for us.

We consider EUROEST proved to be, through its agents, very efficient and co-operative. It presented us the right offers which met all our requirements and helped us to find the locations we wish.

We were very pleased to deal with EUROEST and we are glad to recommend this company as experts in the real estate business.

Regards,

Ioan Marin
