

Bucharest, August 1998-08-27

**To Whom It May Concern**

Our company, ICL Romania, employed EUROEST to find for us a proper warehouse to stock our computer equipment.

EUROEST people proved to be very efficient and co-operative so in a very short time they presented to us the place meeting all our requirements.

We were pleased to deal with EUROEST and warmly recommend this company as experts in the real estate business.

Marian V. Popa  
General Manager  
ICL Romania

A handwritten signature in blue ink, appearing to read 'Marian V. Popa', is written over the typed name and title.
