

"Natural beauty for everyone"

TO WHOM IT MAY CONCERN

Cosmetics Oriflame Romania is the Romanian branch of Oriflame International, a Swedish based company .

Our company employed EUROEST, Mr. Dragos DRAGOTEANU himself, to evaluate the market value of a USD 1,100,000 terrain where we intend to build our headquarters in Bucharest .

The evaluation done for us by Mr. Dragoteanu and Euroest was very professional and proved very good knowledge of the Romanian real estate market and a solid professional reputation .

Therefor we warmly recomend EUROEST and Mr. Dragoteanu as experts and brokers in the real estate business .
