

To whom it may concern

This is to certify our relationship as Shell Romania SRL with Euroest Import Export SRL and Mr. Dragos Dragoteanu and the quality of work they did for us. They are very professional, they proved very good knowledge of the Romanian real estate market and helped us to develop our network of petrol stations in Romania.

We consider them one of our best Romanian partners and experts in the real estate business.

A handwritten signature in black ink, reading "Vittorio Annoni", is located below the main text.
